Shalabh “Shalli” Kumar, Founding Chairman of RHC, Chairman of Hindu and Indian American Advisory Board of Trump, along with Republican Hindu Coalition, the largest grass-root coalition of 6 million Hindu Americans, Endorses Ronna McDaniel For RNC Chair

“Ronna is a great conservative leader, handpicked By President Trump. She is a true Friend of 6 million Hindu Americans in US and a Friend of India and PM Modi and his party, the BJP. She will continue to play a big role in converting a large number of Hindu and Indian American voters from Democrat to Republican and also strengthening the bond between the United States and India. Harmeet Dhillon is not ready for prime-time. We need Ronna McDaniel.”

I along with the Republican Hindu Coalition (RHC) are proud to endorse Chairwoman Ronna McDaniel in her bid for a fourth term as chairwoman of the Republican National Committee. Ronna was a key part of our team that delivered a decisive victory for Donald J. Trump as President of the United States in 2016 by converting over one million Hindu voters from D to R (400,000 in battle ground states including Michigan). Both President Trump and Steve Bannon, 2016 Trump Chairman, have repeatedly acknowledged this fact. Ronna is well tuned on the issues important to this very influential community and is popular with our members.

Harmet Dhillon is from my town Chandigarh in India and I have a lot of admiration for her. Whereas, she is a good strong conservative leader in our party, our membership does not appreciate the fact that she has been critical of the government of Prime Minister Narendra Modi. India is a vital ally of US in its fight against radical Islamic terrorism and countering the growing threat of Chinese CCP. President Trump is a very good friend of PM Modi and India. RHC is dedicated to make 21st century to be an Indo-American century and there are no better leaders than Narendra Modi in India and Donald J. Trump in US to make that happen.

In our opinion, Harmet is not ready for prime time today. She needs to grow up a bit and may be there would be a time for her to get into the role of Chairwoman of RNC in future, but not today. At this time we need a connected and proven leader to win the White House back in 2024 and Ronna McDaniel is best suited to make that happen.
